Ancillary Justice

By Ann Leckie

ANCILLARY JUSTICE
ANN LECKIE

On a remote, icy planet, the soldier known as Breq is drawing closer to completing her quest.

Breq is both more than she seems and

less than she was. Years ago, she was *Justice of Toren*—a colossal starship with an artificial intelligence linking thousands of corpse soldiers in the service of the Radch, the empire that conquered the galaxy.

An act of treachery has ripped it all away, leaving her with only one fragile human body. And only one purpose—to revenge herself on Anaander Mianaai, many-bodied, near-immortal Lord of the Radch.

Dracula vs. Hitler

by Patrick Sheane Duncan

Ravaged by the Nazi Secret Service during World War II, Romanian resistance forces turn to one of their leaders, Professor Van Helsing for any way out. To fight these monstrous forces, Van Helsing raises a legendary monster from centuries of slumber... Prince Dracula himself.

Once he was the ruler of Transylvania. Prince Vlad Dracul, is, above all else, a patriot. He proves more than willing to once again drive out his country's invaders. Upshot: No one minds if he drinks all the German blood he desires.

In Berlin, when Hitler hears about the many defeats his forces are suffering at the hands of an apparent true vampire, he is seduced by the possibility of becoming immortal. Thus two forces are set upon a collision course, the ultimate confrontation: Superpower against superpower .

Song of Achilles

by Madeline Miller

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles.

Achilles, “best of all the Greeks,” is everything Patroclus is not—strong, beautiful, the child of a goddess—and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative connection gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper—despite the displeasure of Achilles’ mother Thetis, a cruel sea goddess with a hatred of mortals.

Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause. Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate.

Kill the Farm Boy

by Kevin Hearne

Once upon a time, in a faraway kingdom, a hero, the Chosen One, was born . . . and so begins every fairy tale ever told.

This is not that fairy tale.

There *is* a Chosen One, but he is unlike any One who has ever been Chosened.

And there *is* a faraway kingdom, but you have never been to a magical world quite like the land of Pell.

There, a plucky farm boy will find more than he's bargained for on his quest to awaken the sleeping princess in her cursed tower. First there's the Dark Lord, who wishes for the boy's untimely death . . . and also very fine cheese. Then there's a bard without a song in her heart but with a very adorable and fuzzy tail, an assassin who fears not the night but is terrified of chickens, and a mighty fighter more frightened of her sword than of her chain-mail bikini. This journey will lead to sinister umlauts, a trash-talking goat, the Dread Necromancer Steve, and a strange and wondrous journey to the most peculiar "happily ever after" that ever once-upon-a-timed.
